DETAILED ACTION

1. This Office Action responds to Applicant's amendment and arguments filed on 3/23/2006. Claims 1-32 are pending, wherein claims 21 and 27 have been amended, and claims 33-61 have been canceled by Applicant as being directed to non-elected inventions without traverse. Claims 1-32 have been examined and are allowed for the reasons pointed out by Applicant (see Applicant's amendment filed on 3/23/2006, pages 9-10).

EXAMINER'S COMMENTS

2. Acknowledgement is made of Applicant's intention to submit a new oath or declaration to correct the noted deficiency as indicated in the Office Action mailed on 11/23/2005.

3. Since the Application is in condition for allowance and the deficiency of the oath or declaration is due to minor informalities (i.e., spelling error) that is self-evidently cured, wherein the "first an joint inventor" can only mean --first and joint inventor-- as evidenced by more than one inventor listed and in order for this sentence to make any sense, such deficiency is waived (see MPEP 602.03 [R-2]).

4. Accordingly, the requirement that Applicant must submit a new oath or declaration has now been waived.
